HOROSCOPE

Horoscope (Century Gothic)

★★★★★ Seek inspiration from Monotype Twentieth Century. Remember you are distinct for your single-storey lower case 'a' & 'g.' This month, you will stand out for your larger x-height. So, let go of the serifs, and embrace your gothic style. You are a must in appearance in the digital world because of your simple curves and sans-serif status. By focusing on the details, Century Gothic makes a greater visual impact. You are space-efficient, EVEN WHEN CAPITALIZED! Your versatility helps express many ideas and views. *This month:* You will save money by using 40% less ink when printing.
